ANTI RAGGING COMMITTEE

Anti Ragging committee was set up in the College during the session 2019-20 which is very much active and playing key roles in creating awareness among students regarding the impact of ragging inside the college campus. Freshers are introduced to bad impact of ragging, the presence of anti-ragging cell and its role and responsibilities by the principal and by faculties in anti-ragging committee during Ice-breaking sessions and welcome ceremonies. Surprise visits are regularly done by faculty members to sensitive points inside the college campus like canteen, cycle stand, reading room etc. and regular interactions and counselling are provided to students with regular intervals during different occasions. Fortunately, no single complaint has been received so far in connection with student victim of ragging during session- 2019-20, 2020-21, and 2021-22. Competitions like essay, debate, elocution, drawing, and posters were held during the session 2019-20 to develop awareness among students. The last two year have been without any awareness programme due to COVID-19 situation in the state and the Country as a whole.
