

Report

Internal Complaint Committee

ICC (Internal Complaint Committee) in BJB Autonomous College is doing important job in solving both larger and petty issues relating to students affairs with a motif to maintain peace and harmony within the college campus and with almost priority to student's welfare. Issues are resolved through repeated counselling sessions and there is no serious complaint received so far by the ICC. Due to Covid-19 situation, college was almost closed for students. So there is not even a single negligible complain by any student during last two sessions 2020-21 and 2021-22.
